**Millsboro Town Hall and Civic Center
322 Wilson Highway
Millsboro, DE 19966**

**Thursday, July 26, 2018
4:00 PM to 7:00PM**

The Delaware Department of Transportation (DelDOT) would like to invite residents from in and around Millsboro and all other interested parties to public workshops to discuss the proposed rehabilitation of Bridge 3-507 on U.S. 113 over Iron Branch. The purpose of the workshops is to present details of the proposed rehabilitation and to solicit feedback from the public. Construction impacts to the southbound lanes of U.S. 113 are expected to begin in Spring, 2019. The *virtual workshop* will be available online at the website above beginning July 26, 2018 and will be accessible for at least 30 days. The *live public workshop* will be held at the Millsboro Town Hall and Civic Center from 4:00 PM until 7:00PM on Thursday, July 26, 2018.

Interested persons are invited to express their views either online or in writing, giving reasons for support or opposition to the project. Comments will be received during the workshop or can be mailed to DelDOT Community Relations, P.O. Box 778, Dover, DE 19903 or emailed to dotpr@state.de.us.

The workshop is accessible to persons with disabilities. Any person having special needs or requiring special aid, such as an interpreter for the hearing impaired, is requested to contact DelDOT by phone or mail one week in advance. If you need further assistance or additional information, please contact Community Relations at 1-800-652-5600 (in DE) or 302-760-2080 or write to the above address.
